

TechConnect – General Task Document

Project: TechConnect – A Marketplace for Connecting Tech Skills to Opportunities

Tech Stack: HTML, CSS, JavaScript, Firebase, Vercel, GitHub

Last Updated: 2026-05-05

Task Overview & Status

Task ID	Phase	Task Description	Assigned To	Status
A1	Analysis	Full project analysis & SRS drafting	Person 1	Done
D1	Design	UI/UX design, DDS creation, color systems, layout	Person 2	Done
IMP-A	Implementation	Module A: User Registration & Profile Management	Person 1	To Do
IMP-B	Implementation	Module B: Job Posting & Discovery	Person 2	To Do
IMP-C	Implementation	Module C: Milestone Workflow & Hiring	Person 3	To Do
IMP-D	Implementation	Module D: Payment Integration & Commission	Person 4	To Do
IMP-E	Implementation	Module E: Rating, Feedback & Admin Dashboard	Person 5	To Do
INT	Integration	Merge all modules, resolve conflicts, finalize app	All (lead: Person 1)	To Do
TST	Testing	System testing, bug reports, test cases	Person 3	To Do
DEP	Deployment	Deploy to Vercel, set up custom domain (if needed)	Person 4	To Do

Module Assignments at a Glance

Module	Feature Set (from SRS & DDS)	Assigned To
A	Registration, Login, OTP, Role Selection, Profile (bio, portfolio, skills)	Person 1
B	Job Posting (form, validation), Job Search, Skill-based Recommendations	Person 2
C	Offer System, Milestone Management (submission, approval, revision limit)	Person 3
D	Nkwa Pay API integration, Payment flow, Commission deduction, Transaction logging	Person 4
E	Rating & Review (1-5 stars), Admin Dashboard (user/transaction/dispute management)	Person 5

Phase Timeline (Iterative Agile)

- Implementation Phase** – All five members work in parallel on their modules.
Daily check-in, code commits to GitHub feature branches.
- Integration Phase** – All modules are merged into `main`. Conflicts resolved.
- Testing Phase** – Person 3 runs manual and Firebase-based tests, logs issues.
- Deployment Phase** – Person 4 deploys the final build to Vercel.
- Restart** – After feedback, the cycle restarts for improvements and future features.
